# HVR AWARDS

## HVR Awards 2024

Organised by Datateam Business Media, publisher of leading trade publication Heating & Ventilating Review, the HVR Awards have been championing innovation, excellence and achievement across the heating and ventilating sector for 14 years.

With its years of experience, the HVR Awards ensure that only the very best take home an accolade, and has established itself as a highly respected platform with its trophies instantly recognisable and highly coveted by all.

The HVR Awards introduces new categories every year in line with the evolving nature of the industry, which stands at the forefront of the drive to Net Zero by 2050.

From innovations in products, to important industry initiatives and outstanding individual and group performances, every aspect of the HVAC sector is highlighted.

### How does it work

Entries are submitted in two sections:

- Judged categories: These are examined by a panel of experienced judges comprised of leading names in the sector.
- Online vote: These entries are decided by a highly competitive online vote.

### Why should I sponsor

As an established event on the industry calendar, sponsoring The HVR Awards is an opportunity for your brand to enjoy unparalleled exposure to a highly relevant and engaged audience. Sponsorship opportunities are available across both print and digital platforms for the duration of the scheme.

**For tickets prices to attend, or sponsorship packages, please contact JAMES MARSHALL-LOUGHRAN at [jmarshall-loughran@datateam.co.uk](mailto:jmarshall-loughran@datateam.co.uk) or call him on 01622 699166.**

# HVR – a must for HVAC professionals!

With over half a century serving the Heating, Ventilating and Air Conditioning sectors, Heating & Ventilating Review (HVR) offers the best possible platform from which to promote your sales message.

HVR is a monthly magazine for the Commercial and Industrial HVAC sectors and is read by budget holders and allocators that you want to reach, predominantly M & E Contractors and Building Service Design consultants.

HVR Domestic, featured monthly, offers news and views targeting domestic contractors and installers.

HVR offers traditional display, recruitment and classified advertising along with digital and website opportunities.

HVR awards are our annual industry awards that celebrates excellence and innovation in the HVAC industry. These are generally held towards the end of the year at a prestigious venue in London. Visit our website [www.hvrawards.com](http://www.hvrawards.com) for further information.

## Some of our on-line advertising options

Heating and Ventilating Review incorporates a comprehensive directory of air conditioning and refrigeration suppliers on the web. All relevant companies can have a free listing in all categories, but there are opportunities to increase your profile and generate more enquiries.

The site can deliver highly targeted annual campaigns to generate enquiries and ensure that your company is found first when customers are actually looking for the products or services you supply.

### 1. Upgrade your company listing

Link to your website, company logo on all your pages, full use of the Heating and Ventilating Review News enquiry system, priority positioning compared to free entries, and one editable product page or press release.

### 2. Publish specific pages on your products

Buyers search for specific products. Ensure they find yours by publishing specific pages relevant to your main products. This will generate more enquiries of better quality.

### 3. Be seen before your competitors

Company listings are displayed 15 to a page. Guarantee a top position for a year when customers look in a category or search for a keyword that matches your products by reserving a priority position.

### 4. Communicate by email

Broadcast in the newsletters your customers read with a press release in weekly newsletter. Or list rental for direct marketing is also available.

### 5. High profile sponsorship

Influence customers before they search for a supplier with a range of banner options:

- Site Sponsor (shared button banner on all pages of site)
- Homepage banner
- Banner blitzer (run of site banners)

### 6. Recruitment advertising

Basic job listing for one month, or upgrade to a Hot Job (one month listing plus two weeks featured on the Heating and Ventilating Review homepage and weekly newsletter.

### 7. Featured Employer/Agency packages

#### **Bronze package**

(Includes up to 10 standard job listings/month + dedicated page and CV submission form in Job Centre & 50% discount on all Hot Jobs)

#### **Silver package**

(As above, with up to 50 standard job listings/month)

#### **Gold package**

(As above, with up to 100 standard job listings/month)
